Personal Profile

Past: I hold a strong foundation in Software Development, having completed a certificate at Just IT, where I developed skills in programming, problem-solving, and database management. My early career in hospitality and warehouse roles helped me hone customer service, teamwork, and communication skills.

Present: Recently, I completed a Digital Skills Bootcamp in Software Development with Just IT, where I gained hands-on experience in web development, database design, and software programming using technologies like HTML, CSS, JavaScript, and Python. This experience prepared me to transition into a career as a Software Developer.

Future: My immediate goal is to secure a role as a Software Developer, where I can apply my technical skills and contribute to meaningful projects. Long term, I aspire to stay updated with emerging technologies and deliver innovative solutions to the organizations I work with.

Key Skills

Technical Skills:

Programming Languages: Proficient in HTML, CSS, JavaScript and Python.

Web Development: Experience in creating dynamic and responsive web applications, utilizing JavaScript.

Database Management: Skilled in designing, querying, and managing databases using MySQL.

Version Control: Knowledge of Git and GitHub for collaborative development.

Problem Solving: Expertise in analysing complex problems and implementing effective technical solutions.

Soft Skills:

Strong teamwork, adaptability, and critical thinking.

Skilled in time management and meeting deadlines in fast-paced environments.

Effective communicator, capable of explaining technical concepts to diverse audiences.

Training and Education

09/22-Present

University of Wales Trinity Saint David, Birmingham

Employment History

11/20-Present

**Warehouse Operative/Administrator
World of Books, Coventry**

- Assigned daily tasks to team members, ensuring smooth operations in picking, packing, and dispatching items.
- Trained and supported new team members, enhancing their understanding of warehouse processes for books and media.
- Processed inventory efficiently, maintaining accuracy in order fulfilment and stock management.
- Utilized Excel for data tracking, reporting, and improving workflows.
- Fostered team collaboration and communication, leading to improved productivity and team cohesion.
- Recognized multiple times as part of the "Team of the Week" for outstanding performance.
- Contributed to improving team skills and communication across the warehouse.

04/10-05/20

**Frontline Worker
Avenia (Fast Food Chain), Split, Croatia**

- Ensured strict adherence to health and safety procedures during food preparation and handling.
- Maintained high-quality standards for food and service to meet customer satisfaction.
- Provided excellent customer service, addressing customer needs and resolving issues promptly.
- Operated POS machines for invoicing and transaction management with accuracy and efficiency.
- Supported the team in maintaining a clean and organized workspace to uphold operational standards.

Interests, Hobbies and Achievements

Hobbies: I am passionate about staying active and enjoy playing football, currently participating in a Monday 5v5 league. I also enjoy watching sports and reading books, particularly those focused on personal growth and development.

In the tech space, I actively pursue programming challenges to enhance my skills. I am currently engaged in platforms such as CodeWars, LeetCode, and the "100 Days of Coding" challenge, where I tackle problems to improve my knowledge in Python and JavaScript.

Achievements: Earned the Computing Skills for the Workplace certificate with distinction, demonstrating my commitment to continuous learning and skill development.

Additional Info: I hold a Computing Skills for the Workplace certificate with Distinction. I am a native Croatian speaker, fluent in Serbian and Bosnian, and have conversational proficiency in Slovenian. I possess a full UK driving license and am recognized for my strong teamwork, adaptability, and consistent performance in dynamic environments.
